AGENDA
REGULAR MEETING OF THE NEVADA CITY COUNCIL
MONDAY, FEBRUARY 9, 2026 – 6:00 P.M.
NEVADA CITY HALL, COUNCIL CHAMBERS – 1209 6TH STREET

Notice to the Public: The Mayor and City Council welcome comments from the public during discussion on agenda items. If you wish to speak, please complete a card found on the podium near this agenda and hand it to the City Clerk before the meeting. When your name is called, please step to the podium, state your name and address for the record, and speak. The Mayor may limit each speaker to five minutes. If you wish to present written materials and/or a signed petition in addition to your oral presentation, those materials need to be delivered to the City Clerk by noon on the Wednesday prior to the meeting to be included in the Council packet. The normal process on any particular agenda item is that the motion is placed on the floor, input is received from the audience, the Council is given an opportunity to comment on the issue or respond to the audience concerns, and the vote is taken. On ordinances, there is time provided for public input when recognized by the Chair. In consideration of all, if you have a cell phone, please turn it off or put it on silent ring. The use of obscene and vulgar language, hate speech, racial slurs, slanderous comments, and any other disruptive behavior during the Council meeting will not be tolerated and the offender may be barred by the presiding officer from further comment before the Council during the meeting and/or removed from the meeting. **The Council will be meeting in the Council Chambers, Zoom may be provided, so long as that option is available.**

Notice of Proposed Action to Institute Proceedings to Enter into a Loan Agreement and to Borrow Monday
Thereunder in a Principal Amount not to Exceed \$3,000,000 (General Obligation)

The City Council of the City of Nevada, Iowa, will meet on February 9, 2026, at six o'clock p.m. at City Hall, Nevada, Iowa, for the purpose of instituting proceedings and taking action on a proposal to enter into a Loan Agreement and to borrow money thereunder in a principal amount not to exceed \$3,000,000 for the purpose of paying the costs, to that extent, of (a) constructing street, storm water drainage, sidewalk, water system and sanitary sewer system improvements; and (b) acquiring and installing street lighting, signage and signalization improvements.

The Loan Agreement is proposed to be entered into pursuant to authority contained in Section 384.24A of the Code of Iowa and will constitute a general obligation of the City. The payment of debt service under the Loan Agreement may be made subject, in whole or in part, to annual appropriation by the City Council.

It is estimated the annual increase in property taxes on a residential property with an actual valuation of one hundred thousand dollars resulting from the City entering into the Loan Agreement will be \$110.53, however the City Council may determine for any fiscal year while the Loan Agreement is outstanding to budget other available revenues to the payment of some or all of the debt service coming due thereunder.

At that time and place, oral or written objections may be filed or made to the proposal to enter into the Loan Agreement. After receiving objections, the City may determine to enter into the Loan Agreement, in which case, the decision will be final unless appealed to the District Court within fifteen (15) days thereafter.

By order of the City Council of the City of Nevada, Iowa.

Erin Mousel
City Clerk

RESOLUTION NO. 042 (2025/2026)

Resolution taking additional action on proposal to enter into a General Obligation Corporate Purpose Loan Agreement and providing for the levy of taxes to pay a General Obligation Corporate Purpose Bonds, Series 2026A

WHEREAS, the City of Nevada (the "City"), in Story County, State of Iowa, proposed to enter into an General Obligation Corporate Purpose Loan Agreement (the "Loan Agreement") and to borrow money thereunder in a principal amount not to exceed \$3,000,000 pursuant to the provisions of Section 384.24A of the Code of Iowa for the purpose of paying the cost, to that extent, of (a) constructing street, storm water drainage, sidewalk, water system and sanitary sewer system improvements; and (b) acquiring and installing street lighting, signage and signalization improvements, and pursuant to law and duly published notice of the proposed action and has held a hearing thereon on February 9, 2026; and

WHEREAS, the City intends to enter into the Loan Agreement in the future and to issue a General Obligation Corporate Purpose Bonds, Series 2026A (the "Bonds") in evidence of its obligations thereunder and anticipates that principal and interest will come due on the Bonds before July 1, 2027; and

WHEREAS, it is now necessary to make provision for the levy of a debt service property tax in the 2026-2027 fiscal year for the payment of such anticipated principal and interest;

NOW, THEREFORE, Be It Resolved by the City Council of the City of Nevada, Iowa, as follows:

Section 1. The City Council hereby determines to enter into the Loan Agreement in the future and orders that the Bonds be issued at such time, in evidence thereof. The City Council further declares that this resolution constitutes the "additional action" contemplated under Section 384.25 of the Code of Iowa.

Section 2. For the purpose of providing for the levy and collection of a direct annual tax sufficient to pay the principal of and interest on the Bonds as the same become due, there is hereby ordered levied on all the taxable property in the City the following direct annual tax:

For collection in the fiscal year beginning July 1, 2026,
sufficient to produce the net annual sum of \$960,000.

provided, however, that at the time the Bonds are issued, the actual tax levy amounts required to pay the principal of and interest on the Bonds in each year shall be determined based upon the interest rate or rates at which the Bonds are issued, and this resolution shall be supplemented by a resolution of the City Council to provide for such actual and necessary tax levy amounts.

Section 3. A certified copy of this resolution shall be filed with the Story County Auditor and said Auditor is hereby instructed to enter for collection and assess the tax hereby authorized. When annually entering such taxes for collection, the County Auditor shall include the same as a part of the tax levy for Debt Service Fund purposes of the City and when collected, the proceeds of the taxes shall be converted into the Debt Service Fund of the City and set aside

therein as a special account to be used solely and only for the payment of the principal of and interest on the Bonds hereby authorized and for no other purpose whatsoever.

Section 4. All resolutions or parts thereof in conflict herewith are hereby repealed to the extent of such conflict.

Section 5. This resolution shall be in full force and effect immediately upon its adoption and approval, as provided by law.

Passed and approved February 9, 2026.

Ryan Condon, Mayor

RESOLUTION NO. 043 (2025/2026)

**A RESOLUTION TO ENTER INTO A 28E AGREEMENT WITH STORY COUNTY
FOR THE PROVISION OF DISPATCH AND JAIL SERVICES
FOR FISCAL YEAR 2026/2027**

WHEREAS, the City of Nevada has no facilities to house and care for prisoners committed to jail for violation of City Ordinances, State or Federal Statutes; and

WHEREAS, the City has no office wherein the Police Department may receive or dispatch telephone and radio messages on a twenty-four hour per day basis; and

WHEREAS, the Story County Sheriff's Department has such facilities; and

WHEREAS, the Story County Sheriff's Department has submitted to the City of Nevada for its approval a proposed 28E Agreement concerning the matter, a copy of which is attached to the Resolution, see Exhibit "A" and incorporated herein as if set out in full; and

WHEREAS, it is in the best interest of the City of Nevada and the citizens thereof to enter into the proposed 28E Agreement with the Story County Sheriff's Department.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Nevada, Story, County, Iowa, that the City of Nevada shall contract with the Story County Sheriff's Department for jail and dispatch services beginning July 1, 2026 and continuing through June 30, 2027 for the annual fee of \$50,344.75. The Mayor and City Administrator are hereby authorized to execute the agreement on behalf of the City.

PASSED AND APPROVED this 9th day of February, 2026.

Jordan Cook
City Administrator
P.O. Box 530
Nevada, IA 50201

Dear Administrator Cook:

Enclosed you will find the Dispatching Services Contract for fiscal year 2027. As per the contract, the per capita rate increase is based on the Consumer Price Index (CPI-U) October 2025 report, not to exceed 4%. The release of the October 2025 CPI-U rates was cancelled, so we will be using the November 2025 CPI-U increase of 2.7% increase. The FY27 per capita rate will increase to \$7.27 for the City of Nevada based on the 2020 Census population figures (6,925).

After your review and acceptance of the contract, please:

1. Sign the contract,
2. **Affix the city seal,**
3. Return to my office no later than March 2, 2026.

I will then sign and forward the contract to the Board of Supervisors for their signatures and see that it is recorded with the Recorder and the Secretary of State. Once it has been recorded and we receive our copy, we will forward a file stamped copy to you.

If you have any questions or concerns, please feel free to contact me.

Sincerely,

Paul H. Fitzgerald
Story County Sheriff

DISPATCHING SERVICES CONTRACT

THIS AGREEMENT is entered into this _____ day of _____, 2026, by and between Story County, Iowa, and the City of Nevada, Iowa, and is duly authorized by Chapter 28E of the Code of Iowa.

The City of Nevada has no office wherein the police department may receive or dispatch telephone and radio messages on a 24 hour per day basis. Nevada agrees to the following terms with the Story County Sheriff's Office:

1. This contractual agreement shall commence on the first day of July, 2026 and shall continue for one (1) year ending on June 30, 2027. The per capita charge shall automatically increase by 4 percent or an amount equal to the U.S. Consumer Price Index for all Urban Consumers (CPI-U) for a 12 month period, to be reviewed each November and increased the lesser amount. The new rate will begin on the first day of each July.
2. Story County shall be reimbursed by Nevada for its dispatching services at a rate of \$7.27 per capita based on the 2020 census figure of 6,925; the annual fee is \$50,344.75. This fee shall be paid in equal quarterly installments to the Story County Sheriff's Office on July 1, October 1, January 1 and April 1.
3. The Sheriff of Story County and his deputies or duly designated representatives agree to receive in the Sheriff's Office or county jail, such telephone calls, teletype messages and radio messages as are directed to the Police Department and the Fire Department of the City of Nevada and transmit the same to the officers of the respective departments.

The Sheriff of Story County and his deputies or duly designated representatives agree to receive or dispatch telephone, radio and teletype messages on a 24 hour per day basis in the Sheriff's Office or county jail as are directed to the Nevada Wastewater Treatment Plant and transmit same to said department.

The Sheriff's Office telephone number shall be included on the Automatic Dialing Alarm System for the Water Department and Wastewater Treatment Plant.

4. The Sheriff or Sheriff's Designee will provide the Nevada Police Department with copies of teletype messages of general and specific interest to all law enforcement officers and agencies in Story County.
5. The Sheriff or Sheriff's Designee will provide a printed daily report to the Nevada Police Chief or the Chief's Designee of all phone calls received in the Dispatch Center and other such calls for service and activities that are entered into the Computer Aided Dispatch System for the Nevada Police Department.
6. The Sheriff agrees to provide and allow the Nevada Police Chief or Chief's Designee computer terminal access to the records contained in the Computer Aided Dispatch System that pertain to the activities of the Nevada Police Department and its officers.
7. The Story County Sheriff shall keep in the Story County Jail, under his control and supervision, any and all prisoners who have been committed to its care by the Chief of Police of the City of Nevada or his duly authorized agents or police officers, for violation of the city ordinances of Nevada, Iowa, at no additional charge.
8. The Sheriff and his deputies or duly designated representatives shall take fingerprints and forward same of all persons arrested and brought into custody at the Story County Jail by members of the Nevada Police Department to the Iowa Division of Criminal Investigation and the Federal Bureau of Investigation as required by State and Federal law.
9. The Sheriff agrees to allow the Nevada Police Chief or the Chief's Designee access to the criminal history and jail record files of all prisoners brought into custody at the Story County Jail by members of the Nevada Police Department.
10. The City of Nevada agrees to pay all medical and doctor expenses for injuries to or sickness of their prisoners held on City of Nevada ordinance violations and all other extraordinary expenses related to those prisoners which may occur and which are not due to the negligence of Story County or its employees.
11. Story County will furnish and maintain the necessary radio equipment to provide the services named above (The City of Nevada will pay for their telephone service on the designated police department line installed in the Sheriff's telephone system.)
12. In accordance with Section 28E.7 of the Code of Iowa, this agreement shall not relieve any of the parties hereto of any obligation or responsibility imposed upon it or them by law, except that to the extent of actual and timely performance thereof by either of the contracting parties hereto, said performance may be offered in satisfaction of the obligation or responsibility.
13. No separate legal or administrative entity or organization shall be created by this agreement; no separate budget shall be established and no tangible property shall

be acquired which would require disposition upon the termination of this agreement.

14. The duly elected Sheriff of Story County, Iowa, and the duly appointed City Administrator of Nevada, Iowa, shall be joint co-administrators of this agreement as provided by Section 28E.6(1) of the Code of Iowa.
15. As joint co-administrators the duly elected Sheriff of Story County, Iowa and the City Administrator, shall develop the necessary procedures to effectively administer this agreement including but not limited to addressing new situations not covered by this agreement and conflict resolution.
16. Story County shall file a copy of this agreement with the Secretary of State and the County Auditor of Story County, Iowa, and record a copy with the Story County Recorder pursuant to Section 28E.8 of the Code of Iowa. The city seal shall be affixed to the contract before returning to the county for filing.
17. This contract may be terminated by either party. Termination is effective at the end of the current quarterly billing cycle and must be preceded with a minimum 30 day written notice to either party. Notice shall be accomplished by certified mail or personal service.
18. Any amendments or addendums to this Agreement shall be created and passed in the same manner and with reference made to this original document.
19. The initial term of the Agreement shall be automatically extended for successive one-year periods upon the same terms and conditions provided by this Agreement for the initial term, unless this Agreement is terminated or modified by the express election of either City or County as hereinafter provided. Modification to this Agreement may be made by mutual consent of both parties.

COUNCIL ACTION FORM

AGENDA ITEM: Equipment Purchase for Hattery Park

HISTORY:

It is widely recognized that the Hattery Park playground requires replacement and repair. The Park Board has identified this area, along with several other park features, as a priority for updates. Following meetings with the board and community members, we determined that a concept combining traditional play equipment with natural features would be the best fit for the park.

We worked with three playground companies to develop a concept to meet our needs. While the full playground concept includes many features, we have decided to prioritize the purchase and installation of the two main playground pieces to take advantage of current manufacturer sales. Late this spring/summer we plan to address the edging, complete the bathroom repairs and renovations, and paint the basketball court with proper markings, along with installation of the proposed equipment purchase. We will then incorporate the additional natural elements as the budget allows.

QUOTES AND PRICING:

The companies we worked with on pricing of the equipment include Cunningham Recreation, Commercial Recreation Specialists (CRS), and Fry Park and Playground Equipment. All were excellent to work with. Cunningham and CRS offered similar concepts with the most play value, while Fry offered a relatively affordable piece of equipment with less play value. Please see the attached concepts and pricing for reference. The pricing below includes the main playground structure and ropes piece. This also includes pricing for an installation supervisor; however, we will need to allocate staff time and work with volunteers to install the equipment.

• Cunningham Recreation	\$58,210.19
• Commercial Recreation Specialists	\$77,592.49
• Fry Park and Playground Equipment	\$44,800.00

OPTIONS:

1. Accept the quote from Cunningham Recreation in the amount of \$58,210.19 offering the most play value and take advantage of current sale pricing.
2. Find more comparable play value to Fry Park and Playground equipment and re-bid.
3. Do nothing at this time.

STAFF RECOMMENDATION:

The Park Board and staff recommend proceeding with Option #1 to accept the quote from Cunningham Recreation. Funding is available in accounts 810 and 179 to purchase the equipment. We also have funds available for edging and mulch. Our goal is for Hattery Park to be fully functional with these equipment pieces installed, improved edging, renovated restrooms, and court markings by the fall of 2026. The additional natural playground pieces will likely be phased in over the next few years due to budgetary considerations.

It is the manufacturer's opinion that the structure shown herein complies with current ADA standards concerning accessibility if used with proper accessible surfacing and together with other necessary ground level play equipment. However, all measurements and slope requirements should be field verified prior to construction.

IMPORTANT: Never install play equipment over hard, unresilient surfaces such as asphalt, concrete, or compacted earth. It is the owner's responsibility to ensure the "minimum area required" contains an appropriate amount of resilient material to cushion accidental falls.

COUNCIL ACTION FORM**AGENDA ITEM: Approval of Electronic Access Control System for City Hall and Water Plant****HISTORY:**

City Hall currently operates with an electronic access control system that uses key fobs and access cards for entry into the building. This system was originally installed when City Hall was constructed in 2008. We are now exploring options to upgrade this system, as the current equipment and software will no longer be supported after the end of February. To ensure continued security and reliable building access, we have contacted three different businesses that we have worked with in the past and continue to use for services. As shown in the information below, Marshalltown Alarm provides the most cost-effective proposal, coming in slightly lower than Verkada, while Astra is the highest-priced option. Verkada, however, offers several additional benefits that make it a strong candidate for consideration. Their system would allow us to eliminate the need for physical key fobs and access cards if we choose, since employees could instead use their smartphones to enter the building. In addition, Verkada provides the ability to update and manage access permissions instantly, improving both convenience and security. By choosing their access control solution, we could integrate the access system with our existing camera network. This would allow us to associate credentials with specific individuals and enhance monitoring at entry points, such as identifying who is requesting access at the door if we want to do that.

STAFF'S RECOMMENDED ACTION:

Therefore, it is the recommendation of City Staff that Council approves Option 1, although it is almost \$20 more expensive, the known benefits will be more effective long term. We also know that the software will be automatically upgraded if needed and will not become obsolete for an overhaul of a new system.

PROFESSIONAL SERVICE AGREEMENT

THIS AGREEMENT is made this 6th day of February, 2026, by and between **HAWKEYE ENVIRONMENTAL, LLC**, a Iowa Corporation with its principal place of business located at 814 Wood Lily Road, Solon, Iowa, 522333 (hereinafter "Hawkeye Environmental") and City of Nevada, 1209 6th Street, Nevada, IA 50201 (hereinafter "Client").

1. **Services.** Hawkeye Environmental agrees to provide asbestos and lead testing services as described in the Proposal provided December 9, 2025, a copy of which is attached hereto and incorporated herein by reference and such additional Proposals as may be subsequently attached to this Agreement. The performance of the contract by both parties shall be subject to the terms set forth in this Agreement. Client understands and agrees Hawkeye Environmental cannot and does not guarantee a particular outcome of the services rendered hereunder but will provide all services in a professional manner as set forth herein. Hawkeye Environmental reserves the right to assign this contract to a division of the corporation for performance of its obligations hereunder.
2. **Waste Materials.** Not Applicable
3. **Compensation.** Hawkeye Environmental shall be paid for work performed under this Agreement as follows:
 - a. Services shall be provided on a lump sum basis as set forth in the proposal(s). Rates shall be subject to adjustment upon thirty days written notice to Client from Hawkeye Environmental unless written objection is delivered by client to Hawkeye Environmental prior to the effective date of the adjustment. If Client objects and parties do not agree on rates, either party shall be allowed to cancel the agreement with Client's liability limited thereafter to Hawkeye Environmental's cost of terminating operations and costs incurred on Client's behalf prior to cancellation. Hawkeye Environmental further reserves the right to pass on to Client any increases in material's costs incurred during the term of this agreement.
 - b. Subpoenas, Client shall pay after notification by Hawkeye Environmental all time charges and expenses resulting from Hawkeye Environmental's required response to subpoenas issued by any person or entity in connection with Hawkeye Environmental's provisions of services under this Agreement, excluding those related to acts of negligence by Hawkeye Environmental, charges based upon Hawkeye Environmental's Standard Base Rate Schedule in effect at the time the subpoena is served.
 - b. Client agrees to make payment at the office of Hawkeye Environmental within thirty (30) days after the date of Hawkeye Environmental's invoice. In the event Hawkeye Environmental has not received payment within thirty (30) days after the date of invoice, Client agrees to pay interest on unpaid balance at the rate of 1.5% per month commencing upon the expiration of such thirty (30) day period, until paid.
 - c. Client agrees to pay all costs incurred by Hawkeye Environmental in successfully enforcing the terms of this agreement, including, but not limited to, reasonable, actual attorney's fees.
 - d. Retention of Work Product. Hawkeye Environmental may suspend or terminate services and/or retain data, correspondence, findings, summaries, reports and any other portion of the items otherwise deliverable to the Client hereunder if Client has outstanding payments due to Hawkeye Environmental or its subcontractors, or Client is in breach of its obligations under this Agreement. Hawkeye Environmental will not be liable for any fines or other penalties incurred by Client imposed on Client as a result of Hawkeye Environmental exercising its rights under this section. Hawkeye Environmental provides limited copies of its work product as part of the proposal project, and may not maintain project files indefinitely. Please retain your copies for future reference to avoid additional cost. Additional extra-cost copies may be able to be provided at our regular labor and materials rate.
4. **Insurance and Limits on Hawkeye Environmental Liability.** Hawkeye Environmental represents that it maintains general liability and property damage coverage considered adequate and comparable with coverage maintained by other similar firms. Hawkeye Environmental shall not be responsible for any loss, damage, or liability beyond the insurance limits and conditions. In no event shall Hawkeye Environmental or any other party to this agreement including parties which may claim to have a direct or indirect reliance on Hawkeye Environmental's services, be liable to the other parties for incidental, indirect, or consequential damages arising from any cause unless caused by or resulting from Hawkeye Environmental's extreme or outrageous negligent conduct or willful misconduct.
5. **Client Indemnity.** Client hereby agrees to indemnify and hold Hawkeye Environmental harmless from any and all loss, damages, suits, penalties, costs, liabilities, and expenses (including, but not limited to, reasonable attorney's fees) arising out of any claim for loss of or damage to property, including Hawkeye Environmental's property, and injuries to or death of persons, including Hawkeye Environmental's employees or agents, caused by or resulting from Client's negligence, willful misconduct or other breach of this Agreement.
6. **Hawkeye Environmental (Contractor) Indemnity.** Hawkeye Environmental hereby agrees to indemnify and hold the City Of Nevada (Client) harmless from any and all loss, damages, suits, penalties, costs, liabilities, and expenses (including, but not limited to, reasonable attorney's fees) arising out of any claim for loss of or damage to property, including Client's property, and injuries to or death of persons, including Client's employees or agents, caused by or resulting from Contractor's negligence, willful misconduct or other breach of this Agreement.
7. **Unanticipated Hazardous Materials.** The discovery of unanticipated hazardous materials, or suspected hazardous materials, may require that special and immediate measures be exercised to protect the health and safety of Hawkeye Environmental site personnel and/or the public. Hawkeye Environmental may at its option and on the basis of its judgment and opinion, exercise such precautions to complete the project, or terminate further work on the project. In either case, Client will be notified as soon as practically possible, and the Client agrees to bear all reasonable and equitable cost adjustments, if any, associated with such measures taken. Provided Client has consented to approve of such measures taken where time permits.
8. **Site Access and Damage.** Prior to the start of services, or at the earliest time such information is learned, it shall be the duty of Client to advise Hawkeye Environmental of any known or suspected hazardous materials and any known environmental or other conditions which exist on or near any premises upon which work is to be performed by Hawkeye Environmental employees or subcontractors or which in any other way may be pertinent to Hawkeye Environmental's proposed services. Client will provide for the right-of-access to the work site. In the event the work site is not owned by Client, Client represents to Hawkeye Environmental that all necessary permissions for Hawkeye Environmental to enter the work site and conduct the work have been obtained. While Hawkeye Environmental shall exercise reasonable care to minimize damage to the property, Client understands that some damage may occur during the normal course of work, that Hawkeye Environmental has not included in its fee the cost of restoration of damage, and that Client will pay for such restoration of damage, except in those cases where it is demonstrated that Hawkeye Environmental has failed to exercise reasonable care to minimize damage.
9. **Compliance with Law and Allocation of Liability.** In the performance of all services to be provided under this Agreement, Hawkeye Environmental and Client agree to take reasonable actions to comply with applicable federal, state, and local laws and ordinances, and lawful orders, rules and regulations of any constituted authority. In the event the worksite is not owned by Client, Client agrees to:
 - a. Require the owner and occupant of the worksite to disclose any information pertinent to the site which would impact on the services to be performed by Hawkeye Environmental, the health and safety of Hawkeye Environmental employees and agents and the public; and any improvements, facilities or conditions located underground or within structures on the premises that might be adversely affected by the actions of Hawkeye Environmental in rendering its services hereunder.
 - b. Deliver any information described in subparagraph a. to Hawkeye Environmental as promptly as possible.

- c. Assume any liability to Hawkeye Environmental from which Client has contracted to release the owner and/or occupant of the worksite as a condition of any offer to purchase, site access agreement or other contract, unless specifically waived herein by Hawkeye Environmental.
- d. Deliver written permissions prior to the commencement of work by Hawkeye Environmental from any owner and/or occupant of the subject worksite for Hawkeye Environmental to enter the worksite and conduct the work required by this contract. In the event Client fails to deliver such permission, Client agrees to indemnify and hold Hawkeye Environmental harmless with respect to claims of any such parties from whom such written permission has not been obtained by Client.
- e. Client has advised the owner that some damage may occur during the normal course of work. Client further represents that:

- 1. The contract between Client and the owner of the property releases Hawkeye Environmental as agent of Client, from damages caused to the property during the normal course of work; or
- 2. Client will indemnify and hold Hawkeye Environmental harmless from any and all liability for such costs to the owner of the property.

9. **Disclosure.**

- a. Client and Hawkeye Environmental shall retain as confidential all information and data delivered to it by the other, which (i) relates to technologies, formulae, procedures, processes, methods, trade secrets, ideas, improvements, computer programs and similar information; (ii) are designated in writing as confidential at the time of delivery; or (iii) relate to this agreement, any work order and any information or data gathered or developed thereunder (collectively the "Confidential Information"). Confidential Information shall not be disclosed to any third party unless required by law or regulation.
- b. Nothing herein is meant to preclude either party from disclosing and/or otherwise using Confidential Information (i) when the Confidential Information is actually known to the receiving party or derived from the transmitting party; or (ii) while Confidential Information is generally available to the public without the receiving party's fault at any time before or after it is acquired from the transmitting party; (iii) where the Confidential Information is obtained or acquired in good faith at any time by the receiving party from a third party who has the same in good faith and who is not under any obligation to the transmitting party in respect thereof; or (iv) where a written release is obtained by the receiving party from the transmitting party.
- c. Confidential Information may be released (i) if disclosure is required by governmental statute, ordinance, or regulation; (ii) for compliance with professional standards of conduct for public safety, health, and welfare concerns; and (iii) for the protection of Hawkeye Environmental against claims or liabilities arising from performance of its services. Hawkeye Environmental agrees to use its best efforts to notify Client before any confidential information is released except if there is imminent danger to public safety, health, and welfare concerns.

10. **Standard of Care.** Hawkeye Environmental will perform the services under this agreement in accordance with generally accepted practice, in a manner consistent with the level of care and skill ordinarily exercised by members of this profession under similar circumstances. No other warranties implied or expressed, in fact or by law, are made or intended in this agreement and specifically no warranty is made with respect to a particular outcome of the services. The Client recognizes that conditions can vary between sampling points and with time, and that the interpretation of data, and opinions and recommendations made by Hawkeye Environmental are based solely on obtained data. Such limitations can result in changes in conclusions and interpretations where new or different information is obtained. In this regard, Hawkeye Environmental makes no representations or guarantees that the points selected for sampling are in any way representative of the entire site. The parties agree that while the subject matter of this Agreement will be described in an attached proposal, the standard of performance is defined and limited by the language of these standard conditions as herein set forth.

11. **Technical Methodology and Protocol.** The fields of science and engineering, and associated technologies, guidelines, regulations, and practices are in a constant mode of change and development. Variations and inconsistencies exist amongst the guidelines, regulations, and standards of various governmental agencies and other recognized authorities; this necessitates that judgment be applied in the selection of methods and procedures implemented in the performance of work in this field. Hawkeye Environmental will select generally accepted methods and/or procedures it considers appropriate to accomplish the intended and understood purpose of its services within the scope of this agreement, and the Client signifies concurrence with these methods and procedures by acceptance of this agreement. In the event other methods or procedures are preferred by the Client or considered more appropriate, a written description or designation of these must be provided prior to execution of this agreement. Hawkeye Environmental will utilize the services of a subcontracted analytical laboratory for related testing, and possibly other types of subcontractor services, as necessary to complete the project. Hawkeye Environmental will strive to select a subcontractor which is generally accepted and recognized in their respective industry, but shall assume no responsibility for claims or losses arising from the negligence or errors and omissions of the selected entity. The Client may specify a laboratory or other subcontractor of Client's choice in instructions to Hawkeye Environmental at any time prior to performance of work, subject to acceptance of any increased costs that may result from such selection.

12. **Independent Contractor.** Hawkeye Environmental's relationship with Client under this Agreement shall be that of independent contractor. Hawkeye Environmental is to exercise its own discretion on the method and manner of performing its duties, and the Client will not exercise control over Hawkeye Environmental or its employees or agents. Nothing in this Agreement shall be construed to designate Hawkeye Environmental or any of its employees, as employees, agents, joint venturers or partners of Client.

13. **Relationship with other Contractors.** The Client may, on its own initiative or on the recommendation of Hawkeye Environmental or others, contract with other parties for services related to the project with respect to which Hawkeye Environmental was retained. Hawkeye Environmental may coordinate the services of such other parties or otherwise work with them on the project. However, it is expressly agreed by the parties hereto that all other contractors shall contract with the Client, not Hawkeye Environmental, and that no relationship of prime contractor and subcontractor shall be formed between Hawkeye Environmental and any other of said contractors unless explicitly so stated herein. Client agrees that Hawkeye Environmental is not responsible for any payment to any such other parties unless explicitly so stated herein.

14. **Record Keeping.** Hawkeye Environmental and Client shall keep adequate books, records, and other documentation consistent with applicable regulatory requirements and in accordance with generally accepted accounting principals, pertaining to the performance of the services required by this Agreement.

15. **Force Majeure.** Except for the obligation to pay for services rendered, neither party under this Agreement shall be liable for its failure to perform hereunder, in whole or in part, due to contingencies beyond its reasonable control, including but not limited to, strikes, riots, war, fire, acts of God, injunction, or compliance with any law, regulation or order of any governmental body or any instrumentality thereof, whether now existing or hereafter created.

16. **Savings Clause.** If one of more of the provisions contained in this Agreement shall, for any reason, be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions of this Agreement; this Agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.

17. **Notices.** All notices given with respect to this contract shall be in writing to the parties at their respective addresses as shown in this Agreement. If either party should change its address as shown in this Agreement, it shall notify the other party of such change within fifteen (15) days of such change.

18. **Term.** Either party may terminate this Agreement effective at any time by giving written notice if (i) such action is taken pursuant to any governmental law, ordinance, order, rule, regulation or action (ii) the other party becomes insolvent, makes an assignment for the benefit of creditors, or a bankruptcy petition is filed by or against it. Either party may terminate this Agreement at any time without cost or penalty during the term hereof if the other party fails to properly perform its obligations as provided in this Agreement and such failure shall continue for more than ten (10) days after either party has notified the other thereof in writing. However, no termination of this Agreement shall have any effect upon Hawkeye Environmental's right to receive payment under this Agreement for services rendered prior to the

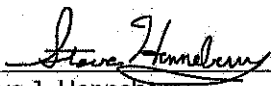

effective date of such termination. The provisions of paragraph 3 shall survive the termination of this Agreement without regard to the reason for termination of this Agreement. Such termination shall not alter or affect the continuing rights and obligations created by those paragraphs.

19. **Governing Law.** This Agreement shall be governed by the laws of the State of Iowa, and any litigation arising out of this Agreement shall be venued in Story County, Iowa, or in the event the contract is executed in a state other than Iowa, any such litigation shall be venued in the state and county in which the Hawkeye Environmental or Client's office is located.
20. **Amendment and Waiver.** This Agreement may be amended from time to time only by an instrument in writing signed by the parties to this Agreement at the time of such amendment. No provisions of this Agreement can be waived except by a written instrument signed by the party waiving such provision, nor shall failure to object to any breach of a provision of this Agreement waive the right to object to a subsequent breach of the same or any other provision.
21. **Entire Agreement.** This Agreement constitutes the entire integrated agreement between the parties hereto, and cancels and supersedes all prior negotiations, representations, understandings and agreements, either written or oral, with respect to the subject matter hereof.
22. **Lien Rights.**

AS REQUIRED BY THE IOWA CONSTRUCTION LIEN LAW, Hawkeye Environmental HEREBY NOTIFIES OWNER THAT PERSONS OR COMPANIES FURNISHING LABOR OR MATERIALS FOR THE CONSTRUCTION ON OWNER'S LAND MAY HAVE LIEN RIGHTS ON OWNER'S LAND AND BUILDINGS IF NOT PAID. THOSE ENTITLED TO LIEN RIGHTS IN ADDITION TO THE UNDERSIGNED Hawkeye Environmental, ARE THOSE WHO CONTRACT DIRECTLY WITH THE OWNER OR THOSE WHO GIVE THE OWNER NOTICE WITHIN 60 DAYS AFTER THEY FIRST FURNISH LABOR OR MATERIALS FOR THE CONSTRUCTION. ACCORDINGLY, OWNER PROBABLY WILL RECEIVE NOTICES FROM THOSE WHO FURNISH LABOR OR MATERIALS FOR THE CONSTRUCTION, AND SHOULD GIVE A COPY OF EACH NOTICE RECEIVED TO THE MORTGAGE LENDER, IF ANY. Hawkeye Environmental AGREES TO COOPERATE WITH THE OWNER AND THE OWNER'S LENDER, IF ANY, TO SEE THAT ALL POTENTIAL LIEN CLAIMANTS ARE DULY PAID.

The Undersigned hereby represents that he or she has full authority to bind the entity on behalf of whom the signature is provided.

City Administrators Report

January 22- February 5, 2026

New Finance Director

Over the past couple of weeks, we have been working on transitioning Kerin into another office in preparation for Lucas' start date, which was February 2nd. During this time, we have been focused on ensuring a smooth handoff and helping Lucas begin to settle into his new role.

We have been reviewing a wide range of information and responsibilities with him, and while he has already made good progress, getting him fully caught up will take some time due to the depth and complexity of the position. Since starting, Lucas has met the majority of City staff, attended several meetings, and has been spending time working closely with Kerin. Together, they have begun reviewing our budget processes so that he can start developing a clear understanding of current financial planning and ongoing projects. In addition, Lucas has visited most of the City departments to observe day-to-day operations, review workflows, and gain a better understanding of how each department functions. This has been an important step in helping him learn the operational side of the organization and become familiar with overall City activities.

Drainage

We have now sent all of the project information and bid materials out to the appropriate parties. Joe currently has meetings scheduled with two of the vendors we provided the bids to, so they can gain a clearer understanding of the scope of work and what the project will ultimately involve. These discussions should help ensure that the bids we receive are accurate and reflect the full expectations of the project. I am hopeful that we will have all proposals and quotes returned by the end of next week. Once we have everything back, we will be able to move forward into the planning phase and begin outlining the next steps, timeline, and overall project approach. After the quotes are received and reviewed, I will then contact the county to discuss their potential level of participation and determine what they may be willing to contribute financially toward the project.

Bond

We will be meeting with our municipal advisor to review the bond information and address several important questions as part of the approval process for the bond we have been working on. This meeting will help ensure that we have all required documentation in place and that we fully understand the expectations moving forward. During this discussion, we will be going over a number of key financial and planning topics, including requests for additional information such as:

- A recent report detailing the City's current investments and financial holdings
- Our Capital Improvement Plan, outlining upcoming infrastructure and major project needs
- A long-term financial plan or forecast to demonstrate future stability and planning
- The City's investment management policy
- Our debt management policy, including how current and future debt obligations are handled
- The City's reserve and fund balance policy, along with overall strategies for maintaining financial strength

In addition, we will be reviewing broader considerations such as the City's current debt and capital needs, the state of the local economy in Nevada, and financial performance across

previous, current, and future fiscal year budgets. Overall, this meeting will be an important step in ensuring the bond is managed effectively and that we are prepared to meet all requirements for approval and long-term oversight.

Trunk Line Stilling Structure

The stilling structure has been functioning well and has successfully helped block the odor that was previously generating complaints. Since it has been in place, we have noticed a significant improvement, and the issues related to unpleasant smells have been greatly reduced. In addition, we have taken further steps to protect the structure moving forward. A small insulated shed has been installed over the stilling structure to provide added protection from cold weather conditions. This will help prevent the system from freezing during winter months and ensure it continues operating effectively in the future.

Access Control

This information is included in the council packet.

CDBG

As mentioned in my previous report, the lead and asbestos testing has been fully completed, and we are currently awaiting the final results. Once those results are received, we will be able to determine the next steps and ensure all necessary requirements are addressed moving forward. In addition, the historical review process has also been completed. The consultants are now in the process of uploading all required documentation and forms to the state's online system. This submission is an important part of meeting state compliance requirements and keeping the project on track for approval.

LMI Program

To continue addressing housing needs in Nevada and expand the availability of affordable options for residents, the City and the Nevada Economic Development Council (NEDC) are proposing a set of targeted housing initiatives. These programs are designed to support affordable homeownership, improve existing rental housing stock, and assist income-qualified buyers in purchasing homes within the community. These proposals build on the success of recent housing efforts, including the Keystone project in the Trailside subdivision, and are modeled after similar programs implemented in Boone (2020) and Slater (2025).

1. Affordable New Single-Family Home Initiative

This initiative is intended to encourage the construction of new affordable single-family homes by helping reduce the upfront cost of residential lots.

Key components include:

- The program would provide a subsidy of 10% of the lot cost, up to a maximum of \$30,000, to support new home construction.
- Homes supported through this program must be projected to come on the market at or below \$299,999, which is considered affordable for a family of four earning at or below 80% of the Story County median income.
- The builder or developer must certify that the home will be listed and sold at or below the affordability threshold.
- NEDC would advance the funding once the initial certification is submitted.

To ensure accountability:

- A forgivable loan agreement would be established.

- If the home sells for more than the certified price, the subsidy must be repaid with interest.
- Once the home is sold and the final sale price is verified at or below the threshold, the assistance funds would be forgiven.

Additional safeguards include:

- A five-year deed restriction placed on the property.
- Loan forgiveness would occur at 20% per year, fully forgiven after five years.

The pilot program goal is to support five new affordable homes per year.

Funding reimbursement would be requested by NEDC through the City's Low-to-Moderate Income (LMI) funds.

2. *Rental Rehabilitation Program*

Over the past five years, Nevada has attracted nearly 200 new rental units. This program focuses on improving the City's most attainable rental housing: existing apartment and rental stock.

Program highlights:

- Local landlords would be eligible to apply for grant assistance to renovate and rehabilitate existing rental units.
- Grants would be available up to \$10,000 per unit.
- In exchange, participating landlords must agree to maintain rents at or below 80% of Story County Fair Market Rent (FMR) for a period of five years.

The pilot program goal is:

- Improving 20 rental units per year over two years.

NEDC would manage:

- Application processing
- Annual compliance monitoring
- Reporting requirements for assisted properties

Funding support would be requested through the Story County Housing Trust Fund LMI dollars.

3. *Home Buyer Assistance Program*

To promote the purchase of existing homes within Nevada, the City is also proposing a direct home buyer assistance program.

Key details include:

- Eligible buyers must have household incomes at or below 80% of the county-wide median income, based on household size.
- NEDC staff would perform income verification in compliance with Iowa Finance Authority guidelines.
- Qualified buyers would receive \$5,000 in grant assistance, payable at closing through coordination with the buyer's lender.

Additional program details:

- Assistance would be a one-time benefit per homebuyer.
- The goal is to assist 20 homebuyers per year during the two-year pilot period.

Funding for this program would also be requested through the Story County Housing Trust Fund LMI dollars.

Summary of Pilot Program Goals (Two-Year Period)

Program	Assistance Type	Annual Target
Affordable New Home Initiative	Lot cost buy-down (forgivable)	5 homes/year
Rental Rehabilitation Program	Grants up to \$10,000/unit	20 units/year
Home Buyer Assistance Program	\$5,000 grant at closing	20 buyers/year

Fires for Jan. 2026: 4
EMS for Jan. 2026: 38
Good intent for Jan. 2026: 6
Public assists for Jan. 2026: 11

Membership:

Current roster number of members: 45

Delay or Minimal Staffing on Calls:

1/13/26 2:17 pm **chemical or smoke odor in a home** (2 volunteers responded).

1/28/26 05:53 am, **Motor vehicle crash with injury** (1 F/T and 2 volunteers responding)

1/29/26 12:14 pm **Fall with shoulder pain** (1 F/T and 1 volunteer)

1/29/26 12:45 pm **Public assist of a 450lb person to get back in house.** Paged fire department no volunteers available from fire or first responders, Police officer not available. (1 F/T & got 2 city employees from street and water department to assist.)

Old Engine 310

The 1998 Spartan engine (old 310) was a township engine. The township allowed the fire department to accept a donation from Verbio, Midstates Companies, Key Cooperative, and Lincolnway Energy to put towards the new engine in exchange for the engine to be relocated at the Verbio plant as a first line of defense for an incident in the industrial corridor. The engine was moved over to Verbio this last month once the new engine was placed in service.

The new fire engine has responded to four structure fires in January and performed flawlessly. E210 our 2017 Toyne is being used for alarms, rescues and other calls and is 2nd out on fires. E310 is first out on all fires with the larger water capacity of 1500 gallons vs 750 gallons.

Ambulance 864

The fire department association has purchased an ambulance to support our fire department operations. Not only is this a functioning ambulance to transport patients to the hospital in the event no ambulances are available from our county and regional hospitals, having medical and support operations on fire scenes adds a layer of safety to any fireground. This is a great partnership between the city and the Nevada Firefighters Inc (501C3) organization.

Garage Fire

Quick notification from a city employee driving by a garage that was on fire allowed our team to quickly respond and put out the garage. The UHP system in the command vehicle knocked most of the fire down inside the garage until an engine could be staffed and respond to back up the incident. Minimal fire damage.

Street dept has finally started making our street marker signs. We will be getting them put together and start putting them up soon. We have been busy with helping other departments. Weather is looking better coming up so we are planning some of our street repairs logistics. Working on getting road construction project ready to go. Pothole patching is ongoing as time allows for the workers. Going through our painting equipment so we can get going on that project first part of spring.

**Nevada Public Library
Council Report**

MY REPORT

I applied for the Dollar General Summer Reading Grant to help offset programming costs this summer. The library's study rooms' HVAC system has stopped working. It is about 12 years old system and each room has their own unit mounted in the ceiling and they communicate to a central device. We are trying to get bids, but with the super cold weather lately, it is taking longer than anticipated. We are going to look at two different options, 1- staying with the same set up but just get new units and a new communication board and 2 – running ducts to each room and having a set up much like the rest of the library. The library is celebrating it's 150th Anniversary this year. The library team is busy working on plans to honor this milestone.

LIBRARY BOARD OF TRUSTEES MONDAY, JANUARY 26, 2026

LIBRARY BOARD OF TRUSTEES MONDAY, JANUARY 26, 2026, 5:00 P.M.

Chairperson Theresa Presley presided and convened the regular meeting of Nevada Library Board of Trustees on Monday, January 26, 2026 at 5:00 p.m. at Nevada City Hall, 1209 6th Street, Nevada, Iowa. The agenda was posted on the official bulletin board in compliance with the open-meeting law.

The roll was called indicating that the following named Trustees were present and absent. Present: Emma Cassabaum, Derek Grote, Theresa Presley, and James Woodard. Absent: Priscilla Gammon, Joshua Peschel, and James Woodard.

Others in attendance were Library Director Amanda Brewer, and Donna Mosinski.

Motion by Board Member James Woodard, seconded by Board Member Derek Grote, to approve the agenda as posted. The roll being called, the following named members voted. Ayes: Woodard, Grote, Presley, and Cassabaum. Nays: None. Chairperson Theresa Presley declared the motion carried.

There was no one present who wished to address the Board at this time.

Library Director Amanda Brewer reported on:

- Amanda is getting bids on HVAC units. The study rooms currently have no heat.
- Amanda is having contractors look at making the front counter ADA compliant.
- The shelf converters are in and well liked among staff and patrons.
- The seed swap is Saturday, January 31.

- Amanda has talked to the Arts Commission about a mural at the library.
- This year is the 150th year of the Nevada Public Library.
- The February meeting will be Tuesday, February 17.

For Continuing Education, Amanda asked the board to watch The Librarians' Screening on January 10 from 4-6 pm. There is another showing on February 9th. The discussion lasted for 3 minutes.

Motion by Board Member Emma Cassabaum, seconded by Board Member Derek Grote, to approve the following consent agenda items as submitted:

- (1) Approve **minutes** of the December 15, 2025 regular meeting
- (2) Approve **minutes** of the December 22, 2025 special meeting
- (3) Approve January 2026 **claims** totaling \$10,740.36 (see attached list)
- (4) Accept and place on file the Director's **memo** dated January 9, 2026
- (5) Accept and place on file December 2025 financial report

The roll being called, the following named board members voted. Ayes: Cassabaum, Grote, Presley, and Woodard. Nays: None. Chairperson Theresa Presley declared the motion carried.

Motion by Board Member Emma Cassabaum, seconded by Board Member Derek Grote, to approve the Volunteer Policy. The roll being called, the following named members voted. Ayes: Cassabaum, Grote, Presley, and Woodard. Nays: None. Chairperson Theresa Presley declared the motion carried.

RE: 2026 Nevada Farmer's Market

Dear Muriel:

I received your email dated February 2nd, 2026 in reference to the 2026 season of the Nevada Farmer's Market. Your request is to close the 600 block of K Avenue every other Thursday between June 4th and October 22nd. Effectively, the follow nights: June 4th, June 18th, July 2nd, July 16th, July 30th, August 13th, August 27th, September 10th, September 24th, October 8th, and October 22nd. In doing this request, you would close K Avenue east of 6th Street and west of 7th Street. This will allow north/south traffic on 6th Street and 7th Street. You will close traffic to the alleyway between 6th Street and 7th Street on K Avenue. The closure will begin at 4:00PM and end at 8:30PM. In addition to the closure at 4:00PM, you have advised you will use signage earlier in the day to inform vehicles of the pending road closure. You have advised you will be using Main Street Nevada's street barricades.

Your Street Closure Request is Approved.

YOU MUST ALLOW ACCESS FOR EMERGENCY VEHICLE TRAFFIC IF NECESSARY.

Through our communication, you have stated all businesses that would be affected by this closure have been notified.

You are responsible for obtaining any liability insurance necessary to protect you against any claims which may be brought in connection with this event. The City of Nevada is not liable for any injuries or other claims made by participants in your event.

Should the need arrive, you may contact Nevada Street Superintendent Joe Mousel and make arrangements for equipment to stop and/or direct traffic. Mr. Mousel can be reached Monday through Friday between 8:00 a.m. and 3:00 p.m. by calling his office at 515-382-4813. There are rental and deposit fees associated with the use of barricade equipment. It is your responsibility to make these arrangements with Mr. Mousel.

Should you have any questions please let me know. Thanks again,

Respectfully,

Chief Brandes,

Main Street Nevada Downtown Market Committee is requesting a street closure. We would like to close K Ave from 6th Street to 7th Street (leaving the intersections open) on Thursdays from 4pm to 8:30pm. This request will be for the following Thursdays: June 4, June 18, July 2, July 16, July 30, August 13, August 27, September 10, September 24, October 8, and October 22. This is every other Thursday starting June 4 through October 22.

Main Street Nevada owns street barricades that will be used on the east side of the 6th Street and K Ave intersection and the west side of the K Ave and 7th Street Intersection. The MSN Downtown Market Committee will be in charge of putting the barricades up at 4pm and taking them down by 8:30pm. Signs will be placed on K Ave between 6th Street and 7th Street the afternoon of the street closure, warning patrons that no parking will be allowed after 4pm.

The purpose of this street closure is to allow the MSN Downtown Market to take place in our moderately trafficked downtown area. The closer is necessary to provide safety to all the market goers and vendors.

Thank you for honoring this request and feel free to reach out with any questions.

Muriel Burnett
